Learning Space*

Dear Parents, Staff and Students,

For the past three years the teachers have been sending home student workbooks regularly throughout the year to allow parents to view their child's learning. This Friday every student will be taking home their Literacy books. In the few short weeks that the students have been back at school they have been engaged in a variety of learning experiences to assist their knowledge and confidence to listen, speak, read, view and write for a purpose.

From Kindergarten to Stage 3 there will be a variety of learning activities within their books. These may include guided reading and readers' circle responses, character analysis, comparing settings and emotions within texts, matching words in sentences, sounds, blends, sequencing sentences in order, written responses, detailed unpacking of elements in narrative writing, creative narrative starters to hook the reader, recounts, descriptive writing, adjectives, wow words, figurative and sophisticated language and responses to multi modal experiences.

Over the weekend please take some time to sit and discuss with your child their work. Focus on how they are transferring their knowledge across into their written work. Please focus on the quality of your child's work not just the handwriting. Remember that most of what you will be viewing is in draft form, not published form.

### These questions may assist your conversation :

- What were you learning (with this particular activity)?
- How are you doing?
- How do you know?
- How can you improve?

For every Literacy lesson the teachers have a learning intention and a success criteria. At the commencement of each lesson they share the learning intention with their students. They don't just state the intent, they discuss what the learning will be about and what success will look like when they complete the related task. The learning intention is then constantly referred to as the lesson unfolds.

The success criteria on the other hand, is co-constructed with the students actively involved in devising the criteria. The more that the student is aware of the criteria of success, then the more the student can see the specific actions that are needed to attain these criteria: to self assess and to direct their own learning.

Within your child's Literacy workbook you will find a coloured sheet that will state your child's initial goal for Literacy followed by how they plan to achieve this goal. I would encourage all parents to write a comment to your child in the space provided. Children really do treasure your comments and it allows teachers to work in collaboration with you so that their goal will be achieved.

Examples of the parent response sheet can be found on page 2.

Please assist the teachers by ensuring that your child's book is returned on Monday so that your child can continue their written work.

## Welcome Barbecue

Our first Welcome Barbeque was held last Friday night and it was a fabulous night. Special thanks to our wonderful cooks- Michael Ekert, James Maffina, Callum Clark and Rodel Talampas. Thank you also to Kimberly Graham for preparing all the onions, a much appreciated addition to our barbeque and to Amira and Warda Makko for stepping in where help was needed.

Members from our Parent Involvement Committee were on hand ensuring the new families were welcomed and Trish Forsyth and Tiff Cooper worked tirelessly behind the scenes all night ensuring that everything ran smoothly. Thank you to staff members Rebecca Boidin and Laura Collin for supporting the night.

Yours sincerely,

**Louise O'Donnell**  
Principal

## Meet our Year 6 Ambassadors

### Laura Emphield- Ambassador

**My hobbies-** I love to dance and have been learning Ballroom and Latin dancing for the past 4 years. Dancing has helped me grow as a person and gain self confidence. Another one of my hobbies would definitely be cooking because you can create little or big masterpieces in just minutes. I am really interested in interior designing and love trying out new decorating ideas in my bedroom.

**My favourite subject-** I can't choose just one, I really enjoy both English and Mathematics, because in Mathematics we are challenged to solve different problems, whereas in English, we can escape to different worlds in different texts and expand on our vocabulary.

**What I like about St Monica's-** The teachers and students are very supportive, welcoming and approachable. We are taught in a range of ways, such as, working collaboratively in PBL (project based learning). There are a wide variety of resources we can use to complete tasks. We have a selection of ways that we can be more involved in our community and school, such as, the Social Justice Team and PBS4L. St Monica's is a small school and provides a very supportive and encouraging environment for everyone.

**My goal for 2019-** I aim to set a good example and be someone who is approachable to both students and teachers. I hope to be respectful, responsible and an inspirational leader.

### Zachariah Kassis - Ambassador

Welcome to the new school year - I hope 2019 will be our best school year to date. Let me tell you a bit about myself and why I am looking forward to being a School Ambassador. I believe a good leader is easy to talk to and inspires people to try their hardest.

**My hobbies:** My hobbies include solving mind boggling riddles, tricky Mathematics equations, Youtube and video games. I like challenges and games where my friends and I work collaboratively to achieve goals. Outside school I play for a local soccer club with other friends from school and people that are new to the club. Sport is a great way to meet new people and make new bonds.

**My Favourite Subjects:** I love Mathematics - solving mysteries and trying different strategies and discovering something new. English narratives have hooked me in and I love perfecting the type of writing that readers call fiction. I, as a writer, see it as my imagination coming to life.

**Why I love St Monica's:** St Monica's is not just a place - school is a home away from home. We are there for a big part of our day. Students are encouraged to care for peers, inside and outside the classroom. Be a person who makes a difference because your opinion matters just as much as everyone else's. St Monica's has kind, caring and nurturing teachers that always make sure that you do as well as possible no matter what subject you are doing. Think of them as your mentors that try to help you so that you are as successful as possible. YOU can be a teacher to people who need your help, maybe more than you might think.

**My Goal for 2019:** To make everyone feel like they belong at St Monica's more than they ever would have thought. I want to assist the school by being the best role model I can be for new students and the rest of the school.

**Your Leaders:** The two school SRCs, Galia Evangelista and Alexander Azar, together with the two School Ambassadors, Laura Emphield and I, have planned our first assembly and will make sure this year is as organised as it can be and involve you in what matters to you. This is a fresh year with new chances and opportunities. How will you make an impact?

## Meet our Student Representative Council Leaders

### Galia Evangelista- SRC Leader

**My Hobbies:** I have a wide interest in sports includes like soccer, running, tennis and also some other sports. Drawing and piano are my favourite quiet activities. These help me to relax, express my ideas and have fun. I like these hobbies because they make me the unique person that I am.

**My favourite subject:** My favourite subject is art because you can use creativity and imagination to make an art piece. I enjoy this subject because the artwork can incorporate different types of mediums.

**What I like about St Monica's:** In St Monica's everyone is caring and kind to each other they also respect everyone. The community encourages all the students in the school, The teachers and staff are patient and compassionate towards each other and the students. I love the fact that when there is someone new in school, everyone greets and welcomes the new person to our school.

**My goal for 2019:** I aim to be a positive role model to all younger students. I want to be resilient on everything and support everyone. To be successful I must follow our school's three bee rules to be safe, be respectful and be a learner. I will strive hard to be a good leader. I want to do the best I can in all my learning.

### Alexander Azar- SRC Leader

**Hobbies:** I have many interests that include nintendo switch,fortnite and youtube. I love reading as it helps me to relax. I am an excellent swimmer and I train 3 days a week. I have achieved success both at school level and for my swimming school - Coulter Swimming at Westmead. I also enjoy playing soccer and drawing.

**My favourite subject:** I have two favourite subjects - Mathematics and Project Based Learning. I like Mathematics as I love challenging myself with fractions and decimals and all problem solving activities. In PBL I like Geography as it connects me with the world.

**Why I love this school:** I love St Monica's because everyone is kind, fair and trustworthy. I like how everyone respects each other when they are playing outside.

**My goal for 2019:** My goal for 2019 is to be a great SRC leader for the students at St Monica's. Also I want to lead this generation of students and teachers at St Monica's North Parramatta to be the best that they can be.

### Are you able to help?

A donation of Eucalyptus Mulch has been delivered to our school. Anyone who is available to assist Mr Dennis in placing the mulch on the garden beds is requested to contact the office on 8832 4100. Any help would be greatly appreciated.

Thank you to those parents who have already volunteered to help.  
Please meet on the playground at 9:15am tomorrow (Thursday 21 February).

## *Open Morning—Monday 4 March 2019*

**Our 'Open Morning' for prospective 2020 St Monica's families will take place on Monday 4 March 2019 (Week 6).**

There will be **two morning sessions** commencing at **9:15am and 9:45am**.

An additional session will be held at **7:00pm**.

The sessions will commence with a welcome in the Community Room and an overview of our school, followed by students from Year 6 who will show our visitors our Learning Spaces and focus on our day to day school life. There will be time for questions following the school tours.

Please register your attendance by calling **8832 4100**.

### **Siblings**

If any of our families have a child starting school in 2020, please advise Mrs Abood in the office, so that we have some idea of the number of places we will have in Kindergarten next year.

We will commence accepting enrolment applications from Monday 4 March 2019.

When submitting your enrolment application you will need to **provide original supporting documentation**, as per the enrolment form checklist, **(together with photocopies)**.

### **Medical Action Plans (including Anaphylaxis and Asthma)**

Thank you to those families who have returned their child's updated Medical Action Plans.

**Asthma Forms** have been sent home to students who were listed as having asthma in 2018. If you have received a form and your child still has asthma, could you please complete the form and return it to school immediately so that we can update your child's record.

### **Medication**

A reminder that all medication brought to the office for administration must have a pharmacy label with the student's name and dosage details.

### **Parent Involvement Committee (PIC) Meeting**

A reminder that the first meeting for the year will be held **tonight Wednesday 20 February 2018 in the Learning Space** commencing at **7:00 pm**. All parents are very welcome to attend as we plan together events for the year ahead.

### **Mobile Phones**

**Each year** parents who request permission for their child to bring a mobile phone to school are asked to do so **in writing** to the Principal. Thank you to those parents who have already sent in their note.

**Students who brought phones to school last year are required to provide a letter this year explaining the need for the phone at school.**

Permission is only granted to those students who travel home on a bus or who walk home. On arrival at school the switched off phone is to be handed in at the School Office where the student is to sign in the phone. In the afternoon the phone will be sent to the classroom via the office bags. Students are to switch the phone on and place the phone in their school bag before leaving school.

## Pow Wow

For a number of years Pow Wow (playgroup for pre-schoolers-babies - 5 years) has been very active within our community. Most of the children from the Pow Wow group in 2018 started Kindergarten this year and were part of this group for a number of years. **We are now looking to start with a new group of parents and children.**

Pow Wow is held in the Community Room each Monday during school terms between 9:00am - 10:30 am. Parents or grandparents have an opportunity to meet new friends over morning tea while the children play. Over the years toy and craft resources have been purchased and will be available to use. If you and your child/children would be interested in Pow Wow please inform the school office. All parents / carers who attend Pow Wow are required to sign in at the school office.

*Thank you from St Vincent De Paul*

## **VINNIE'S CHRISTMAS APPEAL**

On behalf of the SVDP Society we take this opportunity to thank both the School Community and the Parish Communities for their generosity in providing cash, gift tree gifts and under tree presents and food donations. Cash/Cards amounted to **\$2,428**, we were able to make **30 plus hampers** and the recipients were most appreciative and also put a smile on the children's faces.

On this occasion we were able to gift some personal items to both the Mother's and Father's which were accepted with gratitude. In many instances they are the forgotten ones so we give thanks to the contributor. We also thank our helpers who collated the said hampers.
